Grant's Famous "Big Bun" Burger \$12.98

Burger

If you are from around here, you know about Grant's famous Big Bun Burger. It's so large, it has it's own special place on the menu, at the end, where there's LOTS of room. Some argue, that the Big Bun is so huge, it should have its own zip code. Seen from Google Earth.....okay, maybe not. The bottom line is, the Big Bun is Grant's answer for the severely hungry. At the center of the Big Bun is a 1/2 pound of beef and it only comes one way. Fully Loaded. Many a mortal have tried to consume the Big Bun, many have also shared it. Either way, the Big Bun is here, ready and waiting for you to try. So much Grant's deliciousness in one very, very large burger.
